Centre of Excellence terms and conditions:

Being a Centre of Excellence school is a great way to share best practice and your school's commitment to fantastic computing teaching.

For us to promote the scheme, the products and your schools outstanding teaching, we will require you to do some of the following activities over the course of a school year. Each activity is worth doing as it gives you an extra 10% off your next renewal price. These include:

- Up to two testimonials per year (under 300 words)
- Teacher Panel feedback
- A 1 hour- long phone call case-study per year
- A visit by 2Simple team to interview, film and observe use in school for marketing/promo videos for one full school day per year (you will also be able to use this video for your own promotional purposes)
- Host 1 Mash-Meet at your school per year and invite some local, interested schools (3minimum)

If you manage to complete all five of your activities, you can claim up to 50% off your renewal of Purple Mash. Each activity is worth 10%. You also are entitled to a free Serial Mash add on to your subscription for one school year.

This scheme lasts for one full school year. If you want to leave the scheme, please send an email to marketing@2simple.com.
